### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:53 PM on 29 September 2025. The inspector attempted to contact the licensee/registrant by phone, not available at this time for inspection. Discussed optimal hours have not changed and that an attempted inspection report will be delivered. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
