2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:30pm on 18 November 2025. The inspector attempted to contact the licensee/registrant by honking several times and calling all three numbers the inspector had for the licensee. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
