Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:31 PM on 11-December-2025. The inspector attempted to contact the licensee by knocking on the facility door and speaking with family member (non-authorized representative) who stated that the licensee was at work and unavailable for inspection. The inspector also spoke to the licensee by phone and confirmed that he was unavailable for inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
