#### **Procurement of dogs, cats, and other animals; dealers.**

While reviewing acquisition records, it was determined that on 11/20/2023 the facility obtained a 4 year old female serval by the name of "Sarabi" from an individual that did not hold a current USDA license. All licensees must acquire wild and exotic animals used for covered purposes from a USDA licensed facility. A license is required to ensure all parties are in compliance with the Animal Welfare Act. No dealer shall knowingly obtain any dog, cat, or other animal from any person who is required to be licensed but who does not hold a current, valid, and unsuspended license.

Correct from this date forward, January 8, 2026.

This inspection and exit interview were conducted with facility representatives.
