Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:12 PM on 1/13/2026. The inspector attempted to contact the licensee by knocking on the door and speaking to a family member who stated no one was available for an inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
