Date: 04-DEC-2025

2.134(a)

Contingency planning.

The facility did not have a written contingency plan in place. Facilities are required to have a written contingency plan which addresses the care and handling of their animals in the event of an emergency or disaster. The plan must be kept current, and contain the required information for the facility per this section. The facility must correct this issue.

*****Correct by January 15, 2026

This inspection and exit interview were conducted with the licensee.
