Procurement of dogs, cats, and other animals; dealers.

While reviewing acquisition records it was determined the facility obtained 2 Grant's zebras and a Watusi from an individual that does not hold a current USDA license. The two zebras were acquired on 9 September 2025 and the Watusi was acquired on 26 June 2025 respectively.

All licensees must acquire wild and exotic animals used for exhibition from a licensed facility. A license is required to ensure all parties are in compliance with the Animal Welfare Act.

No exhibitor shall knowingly obtain any dog, cat, or other animal from any person who is required to be licensed but who does not hold a current, valid, and unsuspended license.

Correct by 9 September 2025 and going forward.

This inspection and exit interview were conducted with the facility representative.
