#### **Access and inspection of records and property; submission of itineraries.**

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:00am on 1/13/2026. The inspector attempted to contact the licensee by calling and leaving a message, honking horn, and looking for licensee at the barn. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
