2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany an APHIS Official during the inspection process Wednesday 9/10/2025 at about 1:35pm. The inspector contacted the representative who had to go pick up time-critical construction materials (unrelated to the licensed facility) and would not be available for the next 3 hours. Failure to provide access to the facility, animals, and records for inspection could be a serious non-compliance of the AWA and regulations. Failure to comply may result in enforcement action.
