Certificate: **56-C-0207**
Site: 001

Clifford P Fisher III

Type: RE-LICENSE INSPECTION
Date: 21-NOV-2025

2.75(b)(1)

Records: Dealers and exhibitors.

The facility has not updated their disposition records for three goats donated since their last inspection. Complete and accurate acquisition and disposition records, including offspring born at the facility, records must be kept to allow for accurate identification and medical care of the animals, as well as lawful tracking of their movement.

The facility shall make, keep and maintain records that fully and correctly include all the required acquisition and disposition information. This information must include the name and address of the person from whom the animals were acquired, the USDA license number of the person if licensed or the vehicle license number and state and driver's license number and state if not licensed, the name and address of the person to whom an animal was given/sold, the date of acquisition or disposition, the species of animal and the number of animals involved.

2.134(b)

Contingency planning.

The facility has not conducted an annual review of their contingency plan. Reviewing the outlined plan in place ensures the facility has assessed the current plan for any needed amendments to better prepare for unexpected disasters or events, as well as a detailed strategy to address instructions for, but not limited to: animal evacuation, sheltering-in-place, and backup provisions for husbandry and food/watering supplies, sanitation, and ventilation. The facility shall develop and document an appropriate contingency plan available for review upon USDA inspections.

This is a 1st Re-License Inspection for a Class "C" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by January 20, 2026, or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
