ROUTINE INSPECTION Type:

Date: 20-FEB-2015

2.130

MINIMUM AGE REQUIREMENTS.

Records indicate that on 1-16-2015 three puppies less than 8 weeks old were sold to a pet store. They were 52 days old instead of the required minimum of 56 days old. Transporting puppies under 8 weeks of age may increase their risks of health problems. Puppies from a USDA licensed facility must be at least 8 weeks old and weaned prior to being sold or transported in commerce.

Correct from this day forward.

Exit interview conducted with facility representative.
