### Requirements and application

Representatives advised they took into their possession a 4-yr-old black spider monkey on June 11, 2021 and it was kept until approximately August 28, 2022 when they returned it to the original owner. During the timeframe of possession, the animal had occasionally been exhibited to friends and members of the public from approximately mid-November 2021 until mid-July 2022.

Spider monkeys require specific USDA authorization.

A licensee must obtain a new license before using any animal beyond those types or numbers of animals authorized under the existing license.

Correct by February 1, 2023.

This inspection and exit interview were conducted with the licensee.
