#### 2.40(a)(1)

#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The Program of Veterinarian Care for this facility was last updated in 2005. Since that time they have switched Attending Veterinarians. Although the new Attending Veterinarian comes out to the facility for routine visits, a new Program of Veterinarian Care has not been established for the facility. A program of Veterinarian Care is required to ensure that adequate measures are in place to ensure all health issues are addressed in an appropriate and timely manor. Licensee must ensure that they have a written Program of Veterinarian care for the facility that has been signed off and approved by the current Attending Veterinarian.
