2.27(a)

Notification of change of operation.

The registrant has moved from the building and failed to notify the Animal Welfare Operations Office. The move occurred

more than 10 days as ago per the new residents of the building. Failure to notify the Animal Welfare Operations Office in

changes of address doesn't allow inspection for compliance with the Animal Welfare Act, Regulations, and Standards.

Notification of changes in address must be sent by certified mail within 10 days of making such a change.

2.126(b)   **Repeat**

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:30 PM on 6-22-21.

I called the registrant's contact number, honked the vehicle horn, and waited at the facility for 30 minutes. All attempts to

contact the registrant were unsuccessful.

A responsible adult shall be available to accompany the inspector during business hours.
