2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:30am on 4/29/26. The inspector attempted to contact the licensee/registrant by calling both numbers, knocking on the house door, and texting. The licensee responded by text that they were out of town and not able to conduct an inspection. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
