Type: ATTEMPTED INSPECTION
Date: 01-OCT-2026

2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 5:20pm on Thursday, October 1, 2026. The inspector attempted to contact the licensee but was told by a family member he was not available and would not be for several hours. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.

You may appeal all or part of any inspection report by submitting a written statement contesting the findings—along with any supporting documentation—to the Deputy Administrator. Appeals of routine, focused, or attempted inspections must be received within 21 days of report issuance as shown by the signature line of this report.

Appeals may be sent by email to AnimalCare@usda.gov.
