2.126(c)

Access and inspection of records and property; submission of itineraries.

An unannounced, routine inspection was attempted at 11:24 am on June 25, 2026. A responsible adult was not available to accompany APHIS Officials during the inspection process. Phone calls were not immediately answered; however, a requested return call was received at 1:45 pm. The licensee stated that he was traveling and exhibiting his animals out of state. A written itinerary was not submitted by the licensee prior to exhibiting with overnight travel.

Itineraries are necessary to allow for the inspection of traveling exhibitors to confirm compliance with the Animal Welfare Act, notably regarding the animal care and welfare while traveling.

The licensee must submit a written itinerary to the Deputy Administrator no fewer than two days in advance of any travel and shall contain complete and accurate information concerning the whereabouts of any animal intended for exhibition at any location other than the person's approved site. To be corrected from this date, June 25, 2026, forward.
