Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:08pm on 06/17/2026. The inspector attempted to contact the licensee via a phone call and leaving a voicemail on arrival and upon leaving the property, alerting a staff member from the licensee's nearby business, waiting 30minutes, and honking outside the facility. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
