Type: ROUTINE INSPECTION

Date: 03-MAR-2026

2.1(a)(1)

Requirements and application.

The facility is conducting regulated activity without a valid USDA license. The facility currently has one hedgehog for sale in the store. The facility cancelled the USDA license that was previously held, effective 26-February-2026.

Operating without a valid license impedes the ability of APHIS officials to ensure adequate welfare for the animals in the facility. No person shall operate as a dealer, exhibitor, or operator of an auction sale, without a valid license. No regulated activity, to include the exhibition or sale of regulated animals, can be conducted until a USDA license has been obtained.

This inspection and exit interview were conducted with a Facility Representative.
