2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:30 pm on 09-March-2026. The inspector attempted to contact the licensee/registrant by knocking on the door to the house, calling and leaving a message, sending a text message, and waiting 30 minutes before leaving the facility. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
