Institutional Animal Care and Use Committee (IACUC).

The facility IACUC has a new unaffiliated member. However, the new member was not formally appointed by the Chief Executive Officer or the Institutional Official. Official appointment of IACUC members ensures that each member is aware of their role and expectations to attend meetings and actively participate in reviews and inspections related to the proper care and use of animals. Members of the IACUC must be appointed by the Chief Executive Officer or Institutional Official of the research facility per regulation. Correct by October 9, 2026

This inspection and exit interview were conducted with the facility representative.
No animals were present for inspection.
