2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 6 July 2026 on 1:28 PM. The inspector attempted to contact the licensee/registrant by called facility and spoke to the licensee, out of town for the long weekend. Discussed no changes to optimal hours and typical schedule. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
