Contingency planning.

The contingency plan was not available for review during the inspection. Lack of an appropriate contingency plan for an emergency or disaster could be detrimental to the good health and well-being of the animals if such an emergency should occur.

Dealers, exhibitors, intermediate handlers, and carriers must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster.

Correct from this day of July29, 2026 forward.

This inspection and exit interview were conducted with the facility representative.
