A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:35 am on August 19, 2026. The inspector contacted licensee via phone call upon arrival. Licensee answered the call indicating he was out of town making a delivery and that no one else would be able to assist with the inspection. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
