Type: RE-LICENSE INSPECTION

Date: 21-MAY-2026

2.75(b)(1)

Records: Dealers and exhibitors.

The facility is missing the acquisition information for "Ruby", a female turkey vulture and the disposition date for "Phoenix I", an Eastern Screech Owl. Acquisition and disposition information is necessary for APHIS officials to make positive identification of animals still at the facility during inspection and to properly trace their movements.

Each exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning animals, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control. These records shall include the name and address of the person from whom the animals were acquired from, the USDA license or registration number of the person if they are licensed under the Act, the vehicle license number and state and the driver's license number and state of the person if they are not licensed under the Act, the name and address of the person to whom an animal was sold or given to, the date of the purchase, acquisition, sale or disposal of the animal, the species of the animal, and the number of animals in the shipment.

The facility must maintain a record of acquisition and disposition for the animals and ensure all required information is properly and accurately documented at all times.

2.134(b)

Contingency planning.

The contingency plan available for review at the time of inspection was dated in May 2024, more than a year ago. The plan must be reviewed at least annually to ensure that it continues to adequately address the requirements of this subsection and the facility must maintain documentation of those annual reviews. Correct by ensuring the facility's contingency plan is reviewed annually and maintaining documentation of the annual reviews.

This is a 1st Re-License Inspection for a Class "C" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by 20-July-2026 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.
