### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:00 pm on 5/20/2026. The inspector attempted to contact the licensee/registrant by Called facility and left message USDA was at the gate. USDA was met at the gate by a volunteer worker who stated the licensee was out of town until Friday.

The Licensee returned call 10:20am 05/21/2026.

Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
