Miscellaneous.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:00 PM 25 February 2026. Arrived at facility and found that the Attending Veterinarian (AV) had an animal under anesthesia and was teaching a class at the time I arrived for inspection. Asked the AV to call at the end of anesthesia to discuss optimal hours. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
