Miscellaneous.

At the time of the inspection, the facility had not completed and documented an annual review of the contingency plan. The plan was last documented, reviewed, and approved in August of 2024.

Timely review of the contingency plan ensure that any needed changes are made, and communicated to all personnel that have a role or responsibilities in the plan, to help avoid animal discomfort, illness, injury, or death in the event of an emergency or disaster or unforeseen animal incident.

The registrant must ensure that the contingency plan is reviewed on at least an annual basis to confirm that it adequately addresses the criteria listed in Section 2.38(l)(1) and must also maintain documentation of those reviews, to include any amendments or changes made to the plan since the previous year's review.
