### 2.36(a)

#### Annual report.

The research facility did not submit their USDA FY 25 Annual Report to the Deputy Administrator on or before the extended deadline due date of 12/31/25.

Per this Section, research facilities that use or intend to use live animals in research, tests, experiments, or for teaching shall submit an annual report, that covers the numbers of animals used during the previous Federal fiscal year, to the Deputy Administrator on or before the December due date within this Subchapter of the AWA. Timely submission of the annual report is essential to provide an accurate accounting of the total number of animals used and to ensure that professionally acceptable standards governing the care and use of animals were followed during the previous Federal fiscal year reporting period.

The research facility had corrected this item prior to the inspection by submitting the FY 25 USDA Annual Report on 1/7/26. To remain corrected for all future USDA Annual Reports from this date 6/17/26 forward.

This inspection and exit briefing were conducted with facility representative.
