2.131(b)(1)

Handling of animals.

The licensee posts live videos on their online exhibition account (TikTok). In this video recording dated 2/24/2026, it displays the licensee's husband changing the diaper for a capuchin monkey. In the video, the person is grabbing the animal by its tail, holding the animal upside down by its tail, and handling it roughly while the capuchin seems to be in distress. At the time of inspection, the licensee acknowledged that this is her husband in the video and their animal. Video was recorded after they received their license.

In a video recording dated 3/24/2026, two spider monkeys are shown to be consuming dipping tobacco off the leg of an individual. It can be heard in the video, that the person is encouraging them to consume the dipping tobacco. Dipping tobacco poses a potential risk to the animals. They could be harmed by ingesting or coming into contact with its toxic components. At the time of inspection, the licensee acknowledged that this is her husband in the video and their animals. Video was recorded after they received their license.

Handling of all animals shall be done as expeditiously and carefully as possible in a manner that does not cause trauma, behavioral stress, physical harm, or unnecessary discomfort.
