Type: RE-LICENSE INSPECTION
Date: 07-OCT-2026

3.158(b)(1)

Cleaning, sanitization, housekeeping, and pest control.

- The facility is not currently sanitizing any primary enclosures. Failure to sanitize enclosures poses a significant health risk to the animals. Enclosures and food/water receptacles must be sanitized as often as necessary to prevent accumulation of dirt, debris, food waste, excreta, and other disease hazards. The facility must implement a safe and effective method of sanitization to protect the health and welfare of the enclosed birds.
Correct from this date (7 October 2026) forward.

This is a (1st) Re-License Inspection for a Class “A” license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by 7 December 2026 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

You may appeal this finding in writing by 14 October 2026.

Appeals may be sent by email to AnimalCare@usda.gov.

Appeals sent by mail should be addressed to:
