Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The Attending Veterinarian (AV) has set annual site visits in the written program of veterinary care. The last site visit to the premises by the AV was over a year ago in October 2024. Not adhering to regularly scheduled site visits as prescribed by the AV may result in inadequate veterinary care and husbandry of regulated animals. Each exhibitor shall employ an AV under formal arrangements. In the case of a part-time AV, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the premises of the exhibitor.

This is a 1st Re-License Inspection for a Class "C" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by 20 April 2026 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
