Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 9:35am on 3/10/2026. The inspector attempted to contact the licensee/registrant by knocking on the door, calling the number on file, leaving a voice message and texting, honking the horn and waiting 30 minutes. Left the property, returned about 20 minutes later, knocked on the door and left a "Leave Behind Flyer" on the door. After leaving the property, the licensee texted stating he was not available for an inspection.
