Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 12:41pm on 09-September-2026. The inspector attempted to contact the licensee by calling and texting the number on file. The licensee responded stating she would not be available until after 4:00pm that afternoon. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
