2.101(a)

Holding period.

A male Bengal kitten (microchip# 900255202372678) was sold by the facility prior to the required 5-day holding period. The kitten arrived at the facility on May 13, 2025, via airline carrier and was held at the facility for only two days prior to being sold on May 16, 2025. Adequate holding periods are necessary to allow for observation of animals for signs of stress, disease or other conditions that may be worsened by transport.

Any live dog or cat acquired by a dealer or exhibitor shall be held by him or her, under his or her supervision and control, for a period of not less than 5 full days, not including the day of acquisition, after acquiring the animal, excluding time in transit. Correct by 3/10/26.

This inspection and exit interview were conducted with facility representatives.
