2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:35-3:05pm on 24 September 2026. The inspector attempted to contact the licensee by knocking on the door and leaving a voicemail at the listed phone number. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.

You may appeal all or part of any inspection report by submitting a written statement contesting the findings—along with any supporting documentation—to the Deputy Administrator. Appeals of routine, focused, or attempted inspections must be received within 21 days of report issuance as shown by the signature line of this report.
