Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:24 AM on 31-August-2026. The inspector attempted to contact the licensee by speaking to a household member who was present at the facility and calling the licensee and leaving a voicemail. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
